

**OYSTER BAY – EAST NORWICH
CENTRAL SCHOOL DISTRICT**

***SECURITY REVIEW &
RECOMMENDATIONS***

SEPTEMBER 29, 2015

Topics of Discussion

I. Review of Historical Review

II. Security Initiatives Implemented

III. District Safety & Security Team
Recommendations

Historical Overview

- I. District wide Safety Committee – consists of various stakeholders
- II. In 2013-14 security building walkthroughs were conducted with Security Consultants (Summit & Intralogic)
- III. Recommendations for district wide security upgrades were made
- IV. Recommendations were to be implemented in phases based on available funding and BOE agreement
- V. First phase implemented through 2014 – 2015 school year
- VI. Second phase implementation was TBD

Security Audit Findings

- Security Cameras do not provide 360° view
- Certain exterior doors not functioning properly
- “Dark Spots” around buildings
- Burglar alarm system should be expanded
- Lack of written security procedures
- Unlocked doors unsupervised
- Cameras & ID card readers not working consistently
- Staff not trained

Security Audit: Recommendations

FACILITIES

Enhance Alarm Systems
Security Cameras
Exterior Lighting
ID Card Readers
Panic Buttons

PERSONNEL

Hire Security
Provide training
Develop procedures

*Recommended to be completed in two phases dependent upon
priority, time and available funding*

Security Recommendations *Implemented – Phase One*

TYPE:

ITEMS:

Training

County workshop “Active Shooter”
Clerical/Monitor security awareness

Procedural

of unlocked doors decreased
Unlocked doors “manned”
Radios provided to recess monitors
Reminder emails re: ID Badges

Security Recommendations

Implemented – Phase One (cont.)

TYPE:

ITEMS:

Communications

District Wide & Building Level Safety Plans Completed
Floor plans to Police
“Invite” mailed to PD
“Chain of Command” in Main Offices

Facility

Security Camera maintenance contract
ID Badge Readers serviced
Exterior Doors evaluated and repaired

Security Recommendations

Implemented – Phase One (cont.)

TYPE:

Facility (cont.)

ITEMS:

Panic Buttons – emergency directly to police
“Blue Light” Lockdown Buttons/Alarms
Door Ajar System
Window Glazings
Additional Security Cameras
ID Card Readers
Exterior Lighting Added

Misc.

Lockdown drill observed (no cost)
Formalize written security procedures (no cost)
“Event Driven” Camera Monitoring through
Nassau BOCES/Intralogic

Security Initiatives In Place as of September 9, 2015

- ❖ 2 Security guards @ each Building from 7 AM – 8 PM, 7 days/week, rotating around buildings – inside and out
- ❖ Extra Monitoring of Cameras by Intralogic Command Center
- ❖ Communication via “Robo” calls, email, website, social media, electronic signs
- ❖ “Remind 101” system was used to communicate to faculty by the HS Administration during the lockdown
- ❖ Tightening of Building Security
 - door aides viewing person before entry and security outside during arrival/dismissal
 - obtaining licenses and providing visitor “badges”
 - inner doors to be closed to create pseudo-mantrap,
 - all visitors escorted in bldg.
- ❖ Increased Police Patrols – Nassau & Brookville

Security Committee

Recommendations - *Phase Two*

- Research Visitor Management Systems
- Discuss Main Entryway Improvements, “Mantraps” at HS, JV, TR & Admin Building
- Panic/“Blue Light” Buttons for Admin Building
- Additional Cameras for “dead spots”
- Hire District Security Guards – with law enforcement experience
- Annual Review/Revision of Security Procedures
- Continued Observation of Lockdown Drills with Police/BOCES assistance

Security Committee

Recommendations - *Phase Two (cont.)*

- Continued District-Wide Training through Police/BOCES/Vendors
- Limit Use of School Facilities During Day
- Consider Facilities Charge for Outside Community Groups to Offset Security Costs
- Use of Increased Methods of Communication, i.e. text alerts, email, “blue light” messages, website
