

TECHNOLOGY UPDATE

Presented to the Board of Education on December 18, 2018

Dr. Lisa Mulhall & Ms. Janna Ostroff

"YOU CAN GO 3:1 IN THE CLASSROOM, BUT
IF THE PEDAGOGY DOESN'T SHIFT, YOU ARE
JUST WASTING MONEY."

-TOM MURRAY, FUTURE READY SCHOOLS

NEXT STEPS

- Reevaluate our procedures related to damaged devices and insurance
- Preserve an environment where we try new things and take risks
- Explore a fully integrated Learning Management System
- Reinforce healthy digital citizenship habits inside and outside of school
- Support families as they guide students through the ever-changing digital landscape

MOVING FORWARD

Engage

- By ensuring students are in the driver's seat

Excite

- By putting cutting edge tools in their hands

Personalize

- By meeting students where they are

THANK YOU!
