She reviewed the multiple ways the District has contacted families who had not yet complied. Dr. Seinfeld stated that the District had spoken with legal counsel with respect to the ramifications for those that did not comply with the verification process. Legal counsel indicated that students cannot be out of school while this process is taking place. Michael Cipriani gave the Board a brief update on the transportation referendum and the reduction of mileage to 0.5 for high school students and universal for elementary students. Mr. Cipriani gave the timeline for legal publication and deadlines if the Board were to put out a transportation referendum vote.

Mr. Cipriani suggested the middle of January to allow for time to work with Hendrickson to review what this would mean relative to additional buses and cost, if applicable. If there is no additional cost, the referendum could be put up at the May vote.
