Curriculum & Instruction*

April, 2022

Dear Oyster Bay-East Norwich Community,

I hope you have enjoyed a wonderful Spring Recess! I am writing to you today to partner with me in supporting our students to finish the 2021-2022 school year **STRONG!**

As students return tomorrow, we enter the home stretch of the school year. This time of year naturally brings excitement to our school community with school events, celebrations, and, of course, our amazing high school graduation. In recognizing our District vision of “**Empowering ALL Students to Achieve Excellence,**” we must focus our energy on ensuring that students finish the year **STRONG.** It is with this in mind that, as a school community, we place value on and understand the importance of student attendance. As we enter the home stretch, I ask for your support in making sure that your children are in attendance each day, unless, of course, there is illness. **Strong student attendance translates to success in the classroom.**

Together, let's finish **STRONG!** I want you to know that additional student supports are in place for ALL students. Extra help, Homework Helpers, and Regents and AP Review sessions have all been scheduled and are available to all students. Our students possess the qualities necessary for success; they are second to none. I have every confidence that, by working together, we will have a remarkable conclusion to the school year.

Your Partner in Education,

Francesco Ianni, Ed.D.  
Superintendent of Schools
