June 2022

Dear Oyster Bay-East Norwich Community Members:

It is my hope that this letter finds you and your family well. As the 2021-2022 school year comes to a close, I feel a sense of pride when I reflect upon the exceptional work our children and staff have accomplished.

I want to take this moment to thank our entire student body, staff, parents, and community members for an outstanding school year. We should be very proud of our seniors, a graduating class with academic, social and emotional maturity far beyond their years. Their sense of resilience and compassion for one another has made Oyster Bay an extraordinary place for them to learn. Our society is in great hands because of these future leaders.

Alone, this success would not be possible. We set goals and make plans, but the work of our teachers, administrators, and staff brings those ideas to fruition. I am blessed to be surrounded by such a talented group of professionals. Words cannot express my appreciation and gratitude for their remarkable work in "*Empowering Our Students to Achieve Excellence.*"

It is also essential to recognize the importance of the Oyster Bay-East Norwich school community partnership. The District's partnership with families and community members is one of the key ingredients for our success. We are part of an exceptional school district, and I am honored to serve you as your Superintendent.

I wish you all an enjoyable and peaceful summer and extend my heartfelt congratulations to the Class of 2022!

Sincerely,

Francesco Ianni, Ed.D.
Superintendent of Schools
