Dear Oyster Bay-East Norwich Community,

On behalf of the Board of Education and administration of the Oyster Bay-East Norwich Central School District, I thank you for your support in approving the 2022-23 school budget. I am pleased to report that our budget passed 781 to 288.

Your support of the budget will allow our District to provide outstanding educational opportunities to all students, while remaining fiscally responsible to the community. In addition to our budget, I am grateful to our community for approving the propositions for technology and capital projects, which are financed through existing reserve funds at no additional costs to taxpayers. Your approval allows the District to continue to provide devices and other instructional technology to our students that will advance their learning and will also enable the District to continue necessary maintenance and repairs to our school buildings.

Finally, let me take this opportunity to congratulate our re-elected Board of Education Trustees, Nancy Castrogiovanni and Maryann Santos. I wish them another productive and rewarding term as we work together to ***“Empower ALL Students to Achieve Excellence!”***

Sincerely,

Francesco Ianni, Ed.D.  
Superintendent of Schools
