Chromebook Lesson

Chromebook Care Rules

- Wash your hands before using your Chromebook
- Keep food and drinks away
- Always use two hands to carry your Chromebook
- Do not remove the keys on the keyboard.
- Don't close the lid with a pen or pencil on the keyboard.
- Store in the soft case and plug in at night to charge

If you have Chromebooks in your class, **Lisa Abbet** has created this Wakelet collection to help your students get started. She included resources to discuss digital citizenship, links to helpful YouTube videos, posters and a Kahoot! Check it out at wke.it/w/s/_g9ImU.

I ❤️ Canva!

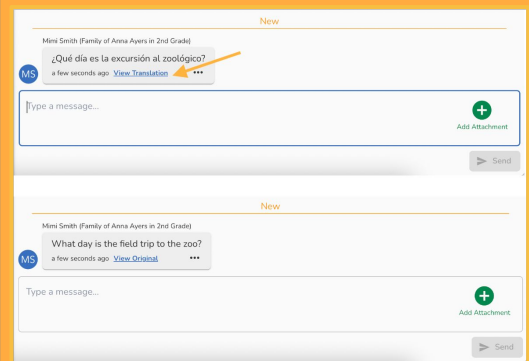

I can't say enough about Canva and the Education templates they have! Cool, editable designs for classroom decor, lesson plans, certificates and more. Log in with your district email to access!

Tech Tip

Seesaw

Did you know that Seesaw has built-in translation tools for families in their app? If the message you send is in a language other than the native language on a parent's device, they'll see a "View Translation" button that translates text. Learn more [here!](#)
