

# Science and Technology Department Course Offerings 2022-2023

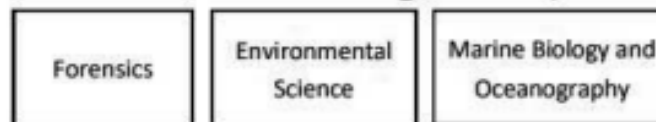

Students will be recommended for accelerated and honors programs based on relevant academic achievement data. Our department encourages students to undertake honors and Advanced Placement courses if they are demonstrating mastery of content in current courses.

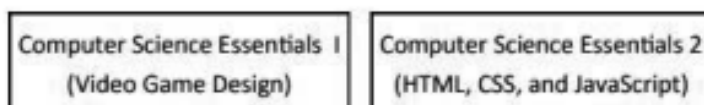

## Half Credit Electives (grades 9-12)

## Half Credit Electives (grades 11-12)

## Computer Science Electives (grades 9-12)

## Computer Science Electives (grades 10-12)
