June 27, 2023

Dear Oyster Bay-East Norwich Community Members:

I hope this letter finds you and your family well. As the 2022-2023 school year comes to a close, I am filled with a sense of pride when I reflect upon the excellent work that our students and staff have accomplished. It has been a year filled with growth, accomplishments, and invaluable contributions to our educational community.

Congratulations to our graduating seniors! Their hard work, dedication, and determination have paid off. I have no doubt that they will go on to make a positive impact on the world and that they will make us proud as they embark on their new journey. Our community and society are in a great place because of these future leaders.

Our success would not be possible without the passion and dedication of our administrators, teachers and staff. I am blessed to be surrounded by such an extraordinary group of professionals. Words cannot express my appreciation and gratitude for their remarkable work. I would also like to acknowledge the support and involvement of our parents, families and community members. I am fortunate to have such strong partnerships that allow us to create an environment where our students can succeed.

As we embark on the summer break, I encourage each of you to take the time to relax, rejuvenate, and enjoy the company of loved ones. I hope you find joy in every moment and celebrate the accomplishments of the past school year.

Looking ahead, I am excited to see what the next academic year holds for us. Together, as a community, we will continue to work on empowering all our students to achieve excellence.

Have a wonderful summer!

Sincerely,

Francesco Ianni, Ed.D.
Superintendent of Schools
