Message to the Oyster-Bay East Norwich Community

I am proud to announce the return of our Summer Sports Program for Oyster Bay students. Now in its' twentieth year, our program continues to grow. This summer we offer 15 sessions to choose from.

The Oyster Bay Summer Sports Program offers students an affordable opportunity to receive sport camp instruction. Our coaches in the program are offering their knowledge and expertise to deliver wholesome activities that are designed to meet all ability levels. The instructional camps will also provide the participant with a chance to meet many of our Varsity and Junior Varsity coaches with whom they may play for in the near future.

Your attendance at our summer sports camps will help our athletic program continue to grow and serve the needs of the Oyster Bay- East Norwich community. Thank you for allowing us to be part of your summer.

Eric Bramoff
Director of Athletics
