Students Return for **BRIGHT NEW SCHOOL YEAR**

Students from throughout the Oyster Bay-East Norwich Central School District headed back to the classroom on September 1. Excitement was in the air as principals, teachers, staff and Superintendent of Schools Dr. Francesco Ianni warmly welcomed the students back to the buildings. Throughout the day, students reconnected with their teachers and peers, learned their new schedules and developed a new routine. The district wishes all of its students a wonderful new school year!

Oyster Bay-East Norwich Community Comes Together for

HOMECOMING

The Oyster Bay-East Norwich Central School District celebrated homecoming on September 17. School spirit was proudly on display as the school community marched from Oyster Bay High School, down Main Street, to Memorial Field at Theodore Roosevelt Elementary School during the annual homecoming parade.

This year's homecoming theme was "decades." Each grade was invited to celebrate the decades through the eyes of the students. Oyster Bay High School, James H. Vernon and Theodore Roosevelt students carried class banners as they marched, while decorated floats followed behind.

The OBEN pride carried over onto the field, with a varsity football game and various halftime festivities, including a performance by the varsity cheerleaders and a senior class lip-sync routine.

Prior to the day's festivities, Oyster Bay High School held a spirit week that culminated on Friday with a pep rally. The excitement carried over into Saturday, making for a memorable and well-celebrated homecoming.
