SEPTEMBER 2023

A NEW SCHOOL YEAR BEGINS

Students from the Oyster Bay-East Norwich Central School District were warmly welcomed back for the 2023-2024 school year by administrators and staff on Sept. 5. At Theodore Roosevelt Elementary School, pre-K and kindergarten orientation took place, which was followed by the students' first full school day on Sept. 6.

The first two days of school consisted of students getting to know their new teachers and classmates and getting acclimated to their school buildings, routines and schedules. We are looking forward to a wonderful new school year!

A PERFECT HOMECOMING WEEKEND

Members of the Oyster Bay-East Norwich Central School District proudly showcased their school spirit during the district's homecoming parade and game on Sept. 9. Central and building administrators, Board members, staff, students and families wore their best purple and gold for the momentous occasion and lined up for the parade outside of Oyster Bay High School.

Each grade level from the high school created their own float and banners for the parade, which corresponded with a different musical genre. Four seniors – Ania Kelly, John Purcell, Gianni Rizzuto and Kyra Sansone – who were crowned 2023 homecoming court royalty during the high school's pep rally on the previous day joined in the parade.

Students and staff from Theodore Roosevelt Elementary School and James H. Vernon School also participated in the celebration and carried their own decorated banners. The Oyster Bay High School Symphonic Band, under the direction of Matthew Sisia, led the parade, which concluded at Memorial Field.

Baymen pride carried over onto the football field as the varsity football team took on the Carle Place Frogs. During the halftime festivities, the Oyster Bay High School varsity cheerleaders performed a spirited routine and members of the senior class showcased their winning lip sync performance.

Homecoming ended on a high note as the Oyster Bay Baymen successfully defeated the Carle Place Frogs 45-27.
