Dear Oyster Bay-East Norwich Community:

I would like to take this opportunity to wish you a Happy Thanksgiving. The first three months of the school year have flown by and yet our students have accomplished so much.

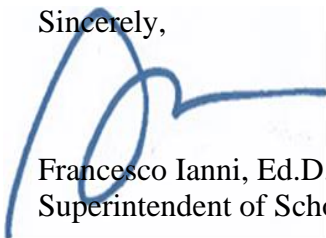

During this time of year, it is important to take a moment to recognize and reflect on our students' achievements. I am especially grateful for our dedicated students, parents, and community members who continue to define our district.

I wish to express my appreciation for the commitment shown by our teachers, staff, and administrators. Their dedication has been instrumental in laying a solid foundation for our students, thus enabling them to develop teamwork, enhance their communication skills, and expand their creative thinking.

Furthermore, I extend my heartfelt thanks to you, our cherished community, for your constant and unwavering support of our schools and educational programs. Your involvement and encouragement are key to our mission of ***Empowering All Students to Achieve Excellence***.

As Thanksgiving approaches, I send you and your families my warmest wishes for a Thanksgiving Day filled with peace, health, and rejuvenation.

Sincerely,

Francesco Ianni, Ed.D.  
Superintendent of Schools
