Dear Oyster Bay – East Norwich Community:

I hope this letter finds you and your family well. The holidays are upon us and 2024 is just weeks away. As I complete my third year as your Superintendent of Schools and reflect on all the accomplishments of our students, I must say we should be very pleased with the direction our district is heading.

Our students and staff have worked hard to successfully embrace the many initiatives that we have implemented at every level. Their passion, talent, and dedication extend beyond the classroom walls. I hope you have an opportunity to join us at this year's winter concerts and athletic events. I have attended many school activities, and I am so proud of our students. The level of energy, spirit, and motivation that we have here in Oyster Bay, are truly the hallmarks of this wonderful community.

On behalf of the Board of Education and my entire administrative team, I want to wish you and your families a happy and healthy holiday season and a wonderful New Year.

Sincerely,

Francesco Ianni, Ed.D.
