Please remember to send in a **hard copy note** in your child’s backpack if you need to report a change in your child’s dismissal plan for the day. Do NOT use email, as teachers will be busy teaching during the day and may not check their email until after dismissal, or the usual teacher may be absent and the sub will not have access to the email. Similarly, mid-day emergency changes should be reported via a phone call to the office, not an email, for the same reasons.
